September 2022

Greetings from Argentina where it has been cold and windy.

We praise the Lord for the work God is doing in the lives of those in the church. We are encouraged to see what God is doing. That does not mean that there is not heartache. Not everyone makes decisions which would be pleasing to God. But it has been encouraging to see the church respond to the decisions in a biblical way.

We are also encouraged by the help that you have been to the national church planters here in Argentina. In this time of hyperinflation your financial support has been crucial to these ministries not only continuing but growing. I would like to share with you in this letter some of what God is doing.

This is Pastor Oscar Zamora and the church holding their first meeting in their new building. Your financial help has enabled him to dedicate fulltime to the work. This has encouraged the people to give and work on completing the meeting hall. It has also allowed him to meet more regularly with the group in Carlos Pellegrini and the group out in the country.

This is Pastor Javier Bravo and the new church he is starting. This is the group for their first service. Your financial support made this possible.

If you would like to contribute specifically to this part of the ministry mark your donation as for AIM-NCP on the memo line.
