November 2022

Greetings from Argentina.

In the US, this is the month to give thanks to God for His care and provision for the current year. We trust that you will take time to do this. We are taking time to remember God's care and provision for us over these last twenty years serving Him in Argentina. We are truly thankful that God has placed us in ministry here in Argentina. We are thankful for the lives He has enabled us to touch and influence for His glory over those years. It continues to amaze us that God desires to use us to point people to Jesus and help them to live lives that reflect Him.

We are thankful for God's grace in the work here in Totoral. Though the times have not been easy in the lives of the different people, we can see decisions being made that honor God and will bear fruit over the long haul. The writer of Hebrews says no discipline is joyous at the moment of experiencing it, but as its fruit is experienced later there will be rejoicing. Continue to pray that God will continue to mature the believers here. That they will continue to be testimonies of how Jesus changes people's lives.

The new work in Lanus under Pastor Javier Bravo continues to grow. The group just finished their first disciple-

ship class on salvation. Pray for their continued spiritual growth.

Pray for Pastor Oscar Zamora and the work in Carlos Pellegrini. There are some family differences which the enemy is using to try to bring an end to the work. Pray that the group would be able to find a neutral meeting place. Pray that God would continue to convict hearts of the need of salvation in those who do not know Jesus as Savior. Pray for those who are saved as they struggle to live like Jesus in the face of family squabbles.

Pray especially for the paperwork for the church in Don Bosco. This month it is supposed to be approved. The church is continuing to grow. Pray for the pastors and the church as they study what God says about the church supporting its own leadership and its own ministries.

Above is the new church in Lanus.
