We thank God for His continued grace in allowing us to serve Him here in Argentina.

In the work here in Villa del Totoral, the work has suffered discouragements in several of the families. We are thankful that God is using it to strengthen and mature them. They have been encouraging one another as they help one another bear their burdens.

The work in Don Bosco continues to grow through the training of men to

help in the leadership of the various ministries. Continue to pray for the paperwork of the church which is in the Ministry of Worship. Because of the current difficulties on the political and economic fronts there is not much movement on the paperwork.

The new work in Lanus continues with the birth pains that are associated with new works. Continue to pray for Pastor Javier Bravo and his wife Norma that they would be able to find a house in the neighborhood of the church plant.

The church led by Oscar Zamora continues to grow as they are using their new meeting space. Continue to pray for the new church plant in Carlos Pellegrini. The new church plant in Malaguena is continuing to advance as well.

These works are able to advance in these challenging times thanks to financial support provided for these church planters.
