May 2023

Praise the Lord with us. The church Iglesia Bautista Independiente de Don Bosco celebrated their fifteenth anniversary this past Sunday. They were able to announce to the church that they had been approved by the government. Now they need to get their personeria juridica from the provincial government. This will allow them to own property in their own name as well as open a bank account in the church's name. The church was really excited. Would you pray with them as they need to raise \$40,000 dollars as a down payment on the property they are currently renting.

The new church plant in Lanus is signing on a building which they will be able to use for pastoral housing and church meetings. God has blessed as they have raised the funds necessary from among themselves. The group continues to meet regularly and share the gospel with those in the neighborhood. This property will be a tremendous blessing to Pastor Javier Bravo and his wife Norma as they will no longer need to make the hour to two-hour bus ride to the neighborhood where the church is. God is continuing to bring visitors into the meetings and Bible studies.

Pastor Oscar Zamora and his family had a scare this past month as the doctors thought he had a stroke. Praise the Lord it was not a stroke just

his blood pressure medication needing to be adjusted. They have a meeting this month with the main families in Carlos Pellegrini. Pray that God would work in these hearts and the work would be able to restart.

Here in Villa del Totoral we are excited about the spiritual growth in Milciades. It appears God is opening a door in Capilla de Siton. This is where Sebastian is from. Milciades has been accompanying Sebastian there to get to know Sebastian's family. God is beginning to open conversations for him with the family members. Pray for this new outreach as Milciades and Sebastian share the gospel.

We will be returning to USA the end of August to visit the churches which support us in the work here. We are trying to schedule the meetings for September and October. We would like to schedule some of the meetings during the week. We are planning to return to Argentina in November.

Because of the economic situation in the US our support level has been reduced. Please be in prayer for us concerning this.

Joyfully serving the risen Savior
